

23<sup>rd</sup> March 2012

## Harmony Night 2012

Harmony Night at Wagaman was once again a great success. This year the theme was 'Play, Engage and Inspire' and as an added bonus the 'Life Be in It' team was here to make sure we were as active and engaged as possible. Additionally, classrooms were opened with various crafts and activities from around the world from Rangoli rice patterns to weaving.

It was great to see so many of our Wagaman Families attend, including Grandparents, Aunties, Uncles and past students.

The school values the opportunity to share what is happening in our school and the great learning the children are engaged in.

Harmony Day is a perfect time to showcase all of our talents and I think that Wagaman Primary did a fantastic job!

## Friday Friends 23<sup>rd</sup> March 9-10am...

### Speech Therapy Students

This Friday the Wagaman Speech Therapy Students will be at Friday Morning Friends to share some information on speech development and common speech problems. They will also be available to answer questions that you may have about your child and to point you in the right direction in seeking more support and guidance for them using Northern Territory Support Services.

Morning Tea provided - we look forward to seeing you there! Many thanks again to Rotary Australia for supporting them and the project.

## Thank You!

A big thank you to all students, staff, community helpers and parents who donated their time, efforts and resources in making Harmony Night all that it could be. We do appreciate your efforts at Wagaman Primary. 😊

### Middle Primary

Year 2 Ramsay have created a land named Harmony Land. They thought about what the land of harmony might be like.

#### Amber

The Land of Harmony is love.

#### Teubiti

The Land of Harmony is taking care of people.

#### Hafsa

The Land of Harmony would be dancing and sharing with each other.

#### Antwone

The Land of Harmony is making new friends.

#### Kalotina

Harmony Land is about love and sharing.

You + Me = Us
